ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, VERITAS Software Corporation, of 350 Ellis Street, Mountain View, California 94043, having acquired by a prior assignment effective as of July 2, 2003, the entire right, title and interest in an invention entitled:

APPLICATION-ASSISTED RECOVERY FROM DATA CORRUPTION IN PARITY RAID STORAGE USING SUCCESSIVE RE-READS

for which Oleg Kiselev et al. filed a United States patent application on July 3, 2003, and which application now has Serial No. 10/614,306, and having acquired the entire right, title and interest in all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; and having acquired the right to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from Oleg Kiselev et al.;

Now, in view of the above premises and effective upon execution of this document VERITAS Software Corporation hereby sells, assigns and transfers to VERITAS Operating Corporation, a Delaware corporation, having a place of business at 350 Ellis Street, Mountain View, California 94043, its successors and assigns, the entire right, title and interest throughout the world in said invention entitled:

APPLICATION-ASSISTED RECOVERY FROM DATA CORRUPTION IN PARITY RAID STORAGE USING SUCCESSIVE RE-READS

for which Oleg Kiselev et al. filed a United States patent application on July 3, 2003, and which application now has Serial No. 10/614,306, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; authorizes the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from VERITAS Software Corporation; and agrees to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, its successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and VERITAS Software Corporation requests that the United States Patent and Trademark Office issue all patents granted for said invention to VERITAS Operating Corporation, its successors and assigns.

Executed this 13th day of October, 2004.
